“ My mommy.....so much to say about you and i'm unable to find words to. But she loved a wide range of music, from The Doors to Salt and Peppas "Push It, Metallica's "Battery", to Guns and Roses' "Sweet Child if Mine"! Anybody who ever played dice with her knows "Be there"! And I'm just curious how many "buzzards" are out there!! The world is a dimmer place now that your light is gone. I will miss you more than I can say, until we meet again...

“ So many memories... Can't pick any perfect one but sitting there agitating her while on the phone with who I can only assume was Aunt Judy, "mom, mom, mom, mom"! And she would belt out "WHAT!?!?!" Silly stuff like that will always make me giggle. Love you Ma! ❤️🙏🙏
