“ I know that another child can never replace a child that has been taken away and although the pain is unbearable I hope that you can take comfort in knowing that Isaac has touched more hearts in such a short time than most people can do in a lifetime! Also, Issac has inspired more people to turn to the Lord in prayer on his behalf. Thank you , Issac for being an instrument of God's creation & the love He has for us. You are lost but never forgotten!!! XOXOXO
