“ I have know Hooker since we went to Marysville Schools. Always witty and a special character and I am so sad to hear of his passing. I always gave him a golf ball when I dined where he was working and enjoyed the smile on his face when he received one. RIP.

“ I am so very saddened to hear of Hooker's passing. I have so many fond memories of time spent together at the St. Clair Golf Club. Both playing golf together and enjoying delicious meals that he prepared. Hook was a special guy and I always treasured our friendship. Life had taken us in different directions, which it often does, so I didn't see him often but always enjoyed very much when I did. I know of several good buddies that I'm sure he is laughing with (and cooking for) in heaven. Our thoughts and prayers are with family and friends. Rest in Peace my friend. Bill Berg

“ I am so sad to hear this. Hooker was my friend in high school. He came by my grandparents almost daily. One day he gave me 3 baby chicks (ducklings) which my grandfather enjoyed more than me. They had their little pool and gramps made a nice bedding for them in the garage. The ducks would walk to the garage every evening just before dark. One day after school they were gone. Dinner was served. I was so mad. Hooker laughed and laughed when I cried about it to him. I have very fond memories with him. Sending hugs to all his family and loved ones.
