“ Jack you were truly one of my favorite people to be around!!!! I adored you and you always treated me like a lady!!!! You never minded that I always called you Uncle Jack or just popped in on you at the coffee shop! I loved our White Castle story in your new Cadillac and I really loved sharing Christmas Day with you and Kosal at the Chinese joint on Jefferson! We shared Polish Village Cafe together on NYE and a ton of SCS fun! Nobody would have guessed how kind you could be and what an animal advocacy person you were to all animals. I know you shared deep regrets regarding the past and it was safer to remain tough but i always knew deep down the love you had for your son. Jack you were never alone and you were loved by me! You never missed a beat when I introduced you to my wife and you were a kind and good friend to me always! I will miss you so much but I cherish the memories we made!!!! Rest in peace Uncle Jack! Rest in peace!
