“ We really miss you mom, it's going on 10 years, emma is having a baby and I'm about to be 18. Looks like I won't be the baby if the family in 2 ways lol. You are going to be the best heavenly grandma and I know you hand picked him just for Emma. I miss you so much mom, that dream I had, I wonder if it was more than a dream, I wonder if you know what I'm talking about, I wonder a lot of things, but I've never wondered if you loved me, because that was the one real thing in my life. I love you so much mom

“ Dear Jac,
Thinking of you. I have tried to reach out to your boys. This was not the first time. I tried in the beginning. They have so much trouble excepting your being gone. They won't except now or in the past pictures or belongings. I have decided to turn things over to you. I know there is power in the grave. You have reached me as I dreamed, on several occasions. I decided to turn it over to you to reach your sons. I burned their pictures into ashes. And placed them with your ashes. You can be united once again. I believe this will help you bring peace to their lives. This will help you because I think it will bring you rest. I hope it will bring you and them closer together. Maybe they will come to realize that we all did all we could. The doctors tried every avenue to make you well. Love, Mom.

“ Happy Mothers Day 2021 your family misses you. This month is a eclipse with a blood moon. I remember the morning we all saw the moon, it was amazing. You and George sat outside your trailer watching it until it couldn't be seen because of the rising sun. I was freezing outside here at our home watching it. That was a very cold spring morning. I was wondering if you talk with David, Grandma., and Great Grandma, in heaven? We miss them too. There is one thing you will be glad you missed on earth, we got a pandemi going on down here. Dads brother has passed away recently. There is a lot of family up there in heaven. Someday we will all have a great reunion with you. Love, your Mom in law.

“ Dearest Jacqui,
Happy 2019 Birthday! Going to Thanksgiving
at George's. He is cooking, I was
thinking of the Thanksgivings we had together
at the trailer. The place has changed.

It is not a trailer George bought a house close to work. The tradition
remains, George loves to cook. This home has a garage so grilling
can go on winter and summer. I forget
To write you because your ashes are right here. I have visited you in
many dreams. Emma went to Orlando this summer. Her
cheerleading team won nationals. Emma's trophy was really nice.
Her grades in school are very good ,as well. Amme is growing
up, close to starting the teenage years. Amme did cheer for a year,
she didn't like it like Emma did. I would like to see them more, the
distance and the cares of our health has
kept us busy. I always think of you. Life took you away too soon.
There has been a lot of adjustments to make everything ok these 3
years you been gone. I saw Lori at a wedding and she is with
Jimmy. We spoke of you. I laughed, but it's true, Lori called you
A "Free Spirit" yes yes that is what we missed about you. It was
how freely and beautiful
You lived life. I love you and miss you. Mom Smith

“*Jacqueline, my beautiful daughter-in-law, you are missed so much. Emma and Amme are so smart and enjoy reading and art. George says he was the math teacher to them. I remember all the trips you walked with your girls to the library. I have had to stand in your place for the school functions, that was your specialty! The girls are saving EVERYTHING! I sorted the past school papers yesterday. It was amazing how outgoing the girls are in class, they get in the school newspaper. Emma brought her great grades into the new school. We will keep your memories alive. They really need you, you the only one who can fill that space...never forget all your hard work. Love you always, MOM*
