“ Years ago, after seeing my husband off at Detroit Metro Airport, I turned around and there was Jackie and Martin, seeing off one of their daughters (I don't remember which daughter). I had moved away from the Avoca area and did not get back much. I recognized Jackie right away as she had not changed her looks in over 20 years! I went up to her and told her so, she was so flattered, but it was true! Jackie remembered me as an "Elias girl" but couldn't remember my name. The 3 of us ended up sitting back down in the airport and talking about old times for well over an hour! It turned out we both had daughters named LeeAnn and spelled exactly the same too.

Jackie and Martin were great neighbors. Neil and my brother Jim had been friends for a long time during their school years when they were younger. Jackie was always so nice. The last time I saw her was at Martin's funeral, she was so caring and gracious - a dear lady who will not be forgotten. Sincere condolences to her family. Prayers to all.
