“ Jessica, my favorite memory of James was when Aunt Kathy and I visited your parents in Arizona. I don't believe James was even a teenager yet. He invited me into his bedroom and we talked for hours about stuff in his room, what he liked to do and the truck work with his dad. That boy liked to talk and it didn't matter that he had he had only seen me a few times in the past. Uncle Al

“ Years ago we met James at the Fair Haven boat launch with Kathy and their children. The memory of a good family event stays in our mind. Kathy has become a friend of ours and we pray for her and her family.

God Bless 🙏
