“ Dear Rosemary, Dominic, Kathy, Debbie, and the rest of your family:

Finally connected to my dear childhood friends and planning a get-together. I am so sad it did not come in time to see my sweet Jimmy again. Had so much fun with Jimmy when we were kids! Even though I was young, I had quite the crush on him. He was so handsome, sweet and funny. I will never forget that beautiful smile. May you all find comfort knowing he is with our loving Jesus. What better place to be. The pain of not being able to hug and kiss them again can be overwhelming, I know too well after losing my beloved son Ryan, 10 years ago. Takes alot of time and processing. Stay strong and remember all the great times and all the years you had with him. Hope to still connect with you all. For now, take care of eachother! All My Love, Susie Colasanti
