What a wonderful life my daddy had. I can't even begin to comprehend all the wonderful times you are having up in heaven. I'm sure going to miss you but I have Jesus too so I know I will see you again.

“ Ugh! Uncle Jim was a great man. What a big loss. I spent so much time at the Fournier home throughout my childhood and I have so many memories. He always called me pumpkin and it made me feel special and loved. One of my absolute favorite memories is when we were in the basement with this HUGE fish. Us kids got into a fight with the fish eggs. It was so gross and we (and the basement) were covered in nasty fish eggs. I don't remember even getting in trouble. I love you all so much 💜 and I know that imagining the reunion between uncle Jim and aunt val will help you get through this.

I'm so very sorry. I worked with Jim and he was always such a nice guy...who for some reason liked to tease me. In the past couple years we went back and forth on FB catching up. He will be missed by many. My deepest sympathy to all his family.
