“ *I made it thru one of the most difficult days I have had to face in a very Very long time. Thanks to family and friends that not only smiled or gave me that hug right when I needed it most but for the heartfelt condolences each and everyone of you posted. I know my family and I were in your thoughts and prayers, and it truly stayed close to my heart when I needed to keep my sanity. And don't let me forget my church. wow. just wow. I requested the song below to play at my brothers service. The room was packed. My brother touched many lives. I'm sure Jim jumped the back fence to get into Heaven, and that's ok, he has lots of time to explain to you know who. He has eternity.....*

“ Glink... You were probably one of the nicest, sweetest people I have ever met. You were always such a gentlemen and would have done anything for anyone. They always say God takes the best first....well that is true in this case but I truly believe he does so that they can watch over us and to help take care of the ones we have already lost. I will forever miss our intelligent conversation and the many many stories. You will be missed by many people and we will forever hold you in our hearts. God truly needs to make more people as gentle souled as you were! Miss you Glink!!! Take care buddy!

I hope your memories out shine your sadness very soon. You meant the world to my brother and for that you now mean the world to Ted and I. I am sorry for your pain. May God hold you especially close during this time! I will NEVER forget what you did for my brother in the end and you handled yourself like a true man when the literally tables turned. I am so very proud of you. I too still look back and am still numb to what transpired in that room. But what matters is WE remembered what was important. A wonderful man has left this world and anyone that had selfish motives - I let God deal with. Big hugs my friend. I BELIEVE.

“ Jim, how do we put into words how much you will be missed? You touched so many lives. Goodbye, there's just no sadder word to say, when all we are left with is memories. Your way of telling a story and that unforgettable laugh..... I'll always think of you and smile. You had one of the biggest hearts - the way you helped anyone in need. I'm so happy for the time we had. The good memories will over shadow the sadness in our hearts in time....

“ Jimmy was a great brother as boys he taught me many things but the most valuable was the use of tools we always worked on bikes or lawn mowers and as a result always made money, I remember at our Mom's funeral Jimmy told me that when you die you are given a star so that you can watch over your loved ones... I sure hope he's right. I miss you big brother. Harm none Do what you will So mot it Be.

Love you

“ Jimmy, I fed and loved you as one of my own and you were always most grateful! My favorite memory of you is one Christmas eve, you brought my daughter a gorgeous white stuffed kitty. I had looked for one everywhere, but you found one! I mentioned it in passing, but you stepped up to the plate and made my little girl's day (and mine)! I will always love you for that!
