“ *This is in loving memory of my uncle and godfather, and my aunt Connie, my godmother....thank you for all the good things you've done to make a loving family and the memory of you will never be forgotten. Uncle Jim was always happy and smiling, even when he wasn't feeling good...he always came over, and he raised a great family. He was a living man to his wife and will be missed...I'm thankful for your memories....you'll always have a place in my heart.*
