

## Mr. James "Jim" Rostine

May 1, 1952 - June 1, 2016

James (Jim) Rostine of Port Huron, Michigan, passed away on June 1, 2016. He was born on May 1, 1952 to the late George and Marjorie Rostine.

Jim loved spending time with his family and friends, old and new. He loved having people over to cook them dinner, while enjoying the many laughs and entertainment that came along with the family dynamics. Boy, did he know how to cook some good food, and no one with an empty plate was turned away! He also loved fishing and an occasional island vacation or two. His love, generosity and kindness spread everywhere he went. This was evident by new gardens he helped his friends with and his open door policy to whatever a person needed.

However, his greatest love of all was his daughter, Barbie. He and his daughter were the light of each other's lives. They were best friends. They lived for each other. There was no greater love than what Jim and Barbie presented to the world, and that was shown by every person that came into contact with them.

Jim is survived by his brothers, sisters, nieces, nephews, grandchildren, great nephews, great nieces, a wonderful neighbor, and two additional daughters. He is preceded in death by his wife Karen Rostine.

Dad, I am completely lost without you and will forever be. You were my heart. You were everything to me. Take care of my Mercedes. I love you with every fiber of my being. Always and forever, Barbie.

No services will be held, per Jim's request.

“ I wish I could have gotten to know him more. Our time was very brief but full of jokes, jesting, and jeering each other! Great sense of humor! May he rest peacefully and continue to give all whom love him fond memories.

“ He used to loved to tease me, especially when I was cooking for him. He had the ability to notice things that others would miss and had a unique view of things. I always enjoyed chatting with him because I knew I'd get a totally different perspective on things than mine. He was kind and giving, and the times that I remember him being the happiest were when he hosted a gathering and would watch everyone enjoy themselves over his food and taking shots at each other and him. I will miss him, as will my daughter, Maggie. I'll make sure she never forgets "Uncle".

“ He would get a hold of me on occasion when I worked midnights. He would ask me if I ate or had a lunch because he just cooked dinner at 9:00 at night. I would stop by and he had a plate of food waiting for me to take to work and one for me to eat quickly before I went to work. He was truly an amazing man of living a simple life and just loving on people. He did ask me to hurry my wedding up because he only had an hour before Wheel of Fortune was on but I knew what he was saying. He is the first of the Rostine children to leave so as he would put it "love yas and drive safe"!
