“ Jim and Nancy were both beautiful examples of the love of Christ! They will both be missed at Lighthouse Bible Church, and the Anchor Bay area! When I lived at the condominiums next to the church, I would walk my little dog around the parking lot of the church. Many times Jim would be weeding or watering the plants bordering the church and parking lot. He always took time to visit with us, and always petted my dog! Their legacy will live on. To their family: I am so sorry for your loss. Cherish your memories, and may God bring you peace and comfort during this difficult time.

“ So sorry to hear of this kind man's passing. Living nearby, he was always quick with a wave and a smile when I was out walking. I so appreciated the wonderful job he did managing the gardens for the City of New Baltimore. His skill and care made this community beautiful. He will be missed.
