“*Rose and family, I am sorry for your loss. I remember the day we moved in across the street from you and Jim. I had to make a trip back to Smiths Creek and upon backing out of my driveway backed right into Jim's dads car. What a way to meet your neighbors and Jim never let me forget that one. I also remember when he was there for Ron and I to help with any little thing he saw us struggling with. Great neighbor, friend, and all around guy.*
