“ She was, is and will always be our wonderful Aunt Janet! She loved family indeed and it was always pretty cool that she was everyone's favorite teacher at the same school I attended. I have many fond memories of her growing up. Always happy, smiling and funny! She will be greatly missed! Praying peace and comfort over her entire family. May you feel the loving embrace of the Father in Heaven during this time! Love you all!

“ Lifelong memories of my cousin Janet Ingles will be held in my heart forever. I spent every summer at my cottage just down the lane from Janet’s home. My dream summers with Janet, Adele and our cottage friends consisted of Huckleberry Finn adventures. Daily boating, fishing, biking, horseback riding, exploring the canals by canoe and evenings spent playing flashlight tag or roller skating at the rink across the canal consumed our carefree days and nights. Janet’s father patiently taught us to water ski and attempt the ski jump. Our traditional outing included attending the Pickerel Tournament in Algonac.

Through our adult years I marveled at Janet’s loving ability to manage a wonderful teaching career, motherhood and continued guidance, nurturing and support for her grandchildren, great grandchildren and relatives. Her home was always a haven for the needy looking for assistance. Janet and Ron enjoyed travel and sports while attending to their ongoing responsibilities.

During Janet’s serious, debilitating health challenges she remained positive, never relenting on her desire to be independent for herself and others. Janet definitely left her mark of inspiration, love and goodwill as a model for others. She is a treasure to behold!
