“ Jan and Gary were neighbors of my mother in FL. All three of us women were nurses and shared a special bond. She considered my mom her "second mom" and they loved each other dearly. She and Gary were a wonderful, loving couple and friends. Her passing leaves a lg. Vacancy in many hearts and her legacy leaves a large impression and warms our hearts. Until we meet again Jan!! May God abundantly bless your family and may your family feel your unending love and devotion in their hearts. Hugs to all of them.

“ So many memories, but the one I remember the most was when Debbie, you, my mom and I flew out to Vegas. I enjoyed the time we spent together. I'm going to miss you.

“ My mom was lucky in life to have met and married our dad, Chuck McCulley who passed away September 9, 1997 and God was gracious and found her love again with Gary Walker whom she married and loved with all her heart. She will be missed by him dearly as everyone whose life she touched. We had so much fun growing up with her, she enjoyed camping, the beach, bingo 😊, casino visits... and going to Florida with Gary and developing new friendships there. There are countless stories of laughs and life to tell about her ❤️ She was my strength throughout my life when hardship  
And tragic events happened to me. I never could have coped and learned to be the person I am today without her support, love and guidance. She truly was a gift to me. I'll miss having our talks about everything... but I truly believe she's in a better place now. Until I see you again.... I love you mom ❤️
