“ Jared, you were the best little brother a sister could ask for...we have so many cherished memories and good times that I will hold close in my heart. Your time on earth was cut short by this horrible disease and you fought it bravely. Your step children Mariah and AJ will never forget the loving times you had with them. They are devastated at your loss, but know you are in heaven with Dad....I still have all the texts you sent me saying "love you Sister".....and I cherish them. Love you back Brother....your little big sister, Pam
