“ Dear Paul, Teresa and Family,
I will never forget your sweet Mother who was so kind to me ever since I met her. I will miss our phone conversations and the many many cards that she sent to me over the years... always with little goodies in them. I will remember her warmly each time I snuggle up in the beautiful homemade throw she sent me a few years ago and I will miss her sweet voice. You all are in my thoughts, my heart, and my prayers. Remember always to have hope in tomorrow, have faith in the everlasting, and take comfort in the love of friends and family.
Love, Stacey Chandler
