“ *Cousin Jeanea was a warm-hearted, generous, caring person and one of my favorite people. No matter how much she might have had to slow down or had her own issues to deal with, she always had a smile for someone else. Even though I live across the US we always managed to find a way to get together every few years. Every one of those visits is a cherished memory. Jeanea, we will miss you. God Bless.*

*And thank you to the people who posted to the photos. Great pictures and memories.*

*You were very special to her also. She spoke of you often and the picture you painted for her hung in her apartment as one of her favorites. Thanks for your thoughts. We will miss her always.*

“ *I had the pleasure of working with Jeanna for many years. After I moved to Florida we kept in touch with letter's. Every Year when I came back to visit we would get with other ladies we worked with for lunch. She was a very caring person and I will miss her.
