“ Jeanette you meant the world to me. All my cousins were so much older than me. Especially since my mom was only 3 years older than you ! But you always involved me . And we sure had some good times when I got older . And our Birthdays were a day apart. I'm gonna miss you. I loved you so much. Say hi to everyone. They all will be happy to see you. Give Tony a big hug for me. Rest in Peace. You will suffer no more. Was such a blessing to be part of your life.
