“ *Hanging out at Grandma Randall's was always a great time! When I was younger and she would have me over during the day, we would have the most wonderful little picnics! A few sandwiches and a blanket on the grass! An absolute core memory from my childhood and something I'll never forget that we got to do together! And holidays were always so THRILLING! All the cousins, aunts, & uncles under one roof! It was such a warm feeling in that house, so full of love and laughter always ☐
I hope heaven feels just the same ☐*

“ *I have many memories of your mother (Janet). She was so kind and I always remember her taking the time to talk to me even though I was a kid, either from over the fence or she'd invite me into the house. One day I was going to a band concert and my parents were not home. I of course being a dumb kid forgot to ask my mom to hem my pants. I asked your mother and she immediately came over and hemmed them. I'll never forget that. May she rest in peace.*

“ Aunt Janet was one of the sweetest, most loving person that I knew. She always made me smile and laugh every time I was with her. All I have to do is think of her and the smile is right back on my face. Annette, you took care of your mom and stood by her side until God called her home. No matter how tough it got, you were there. She was blessed!! May your broken heart be healed with the love and happy times you shared with her. This time apart is temporary as God will one day call all of us to join him in paradise to live our eternal lives with love, joy and peace as your mom is doing today. This promise from God helps me get through the loss of a loved one and I hope it helps you to be reminded of it. We are sending our love and prayers. May God be with you and the family.
