“ *Uncle fro.... A great uncle and father. Never letting anyone and anything get in his way helped him keep a smile on his face. Always staring down from the window of his room and talking to all of us. I'll never forget all the times he took me and my baby brothers fishing or the delicious beans on every holiday that I begged him to make. You'll be truly missed, I promise to always be there for serenity and Jeffery. I know the pain and confusion they will be going through, I promise to try my hardest to make it easier. □*

“ *Jeff I carry you in my heart forever. I'll never forget the night my husband tried to interface me to you at our house. After 20+years of not seeing you I still never forgot your voice. We only were reunited for a short time until you left us but brother you were the best. I stand alone as you the last of our circle has moved on. I shall see again my friend so save me a seat at that dinner table. You Jeff (FRO) were a legend in your own and the love and solidness that you carried within you for everyone that was in your heart will never be matched. You were truly the last one. We love you Jeff we will meet again my friend and my brother. 100💔*
