“ Man...Nabozny was a great dude, someone who was always willing to help others. I shared some great memories with Nabozny from riding mountain bikes in the mountains of Utah, to leading a Peer Support Group which our mission has always been to lead other Veterans in a Positive direction. I had a lot of great laughs with Nabozny especially when it came down to sports i.e. My Red Sox vs his Detroit Tigers or my Pats vs his Lions. I will forever miss my Bro.

On behalf of Myself, Our Peer Support Group, and all the lives that were impacted in a positive way by Nabozny, we will always love you Brother and we will miss you Bro!

“ To the Nabozny Family;

*I was Jeremy's teacher at Jefferson Adult Learning Center many years ago, and remember him with fondness. He was very smart, kind, and had a great sense of humor, a student that I loved having in class. I am deeply sorry for your loss at this very sad time and will keep his memory in my heart and reflections.*

*With Sympathy, M. Erickson*

“ *Growing up, Jeremy spent a great part of every summer with my children at our house on Sapphire. Many days I think he was there before breakfast. Always smiling, polite and a joy to have around. I will cherish those memories of that sweet little blonde haired boy at my door.*

“ One of my best friends growing up. This is a pic of us at Gus Macker where he tried to pass from half court and made a basket! The other team was pissed because it helped us win the towelet bowl. Love ya man always even though we didn't keep in touch I always was thinking about the crazy stuff we did as kids....
