“ *There are no words to express the size of this loss... my heart breaks for his daughters most of all - he was such a great dad. Jerry was someone I considered a friend for over 30 years, but he was also a brother - being my BFFs big brother made him mine too. I also had the opportunity to work with Jerry at both Tyger and Boddy. It was while at Boddy that I was going through my divorce and on more than one occasion he was there for me with a warm hug, a shoulder to cry on and the most comforting words. In the end he would always have me laughing. I will cherish the memories my friend - you will be greatly missed by so many.*
