“ My Uncle Jesse was a larger-than-life character who loved to have a good time. He had a way of making everyone laugh with his unapologetic sense of humor. Whether he was enjoying a cold drink or cracking a joke, he always had a unique way of making his presence felt. Though he had a tendency to speak his mind, it was part of what made him unforgettable. He'll be remembered for his confidence, his no-nonsense attitude, and his ability to keep things interesting. He will be missed and I hope to see him again in a better place. Love you Jesse

“ Jesse will be missed by many. He was always fun to be around, he enjoyed sharing his recipes and talking sports with Steve! I will always remember him and Johnny hiding from me, as Patty sent me to cut their hair! ❤️

“ I know you didn't smile often. And sometimes there was that little smirk hidden well under that big mustache of yours. But when you did smile, you lit up a room. I miss that light and my world is a little dimmer now but I know that your glowing up there in heaven right now and I will see that light again. I love you Jesse, Carol
