“ *Lacey was just another kid in the Harrington family. She was also a part of the Kay family. Debbie, Lacey and I were adventurous and afraid of nothing. Lacey had her folks Buick which could be started without a key and we would sneak out and tour Houma. Thankfully there was not much trouble to get into in Houma or we would have found it.*

I loved Lacey from the fourth grade on and still do. Her love of family and friends knew no bounds. If you were her friend you were her friend for life.

For all of you family members, I know Lacey loved each of you and was proud of each of you. She shared her delight when each grand and great grand came along. Please treasure your memories of a God loving, wonderful mother and grandmother.

I treasure my memories of her. Love and sympathy to all of you.
