“ I had the privilege of working alongside Jimmy for over 22 years. Jimmy was exemplary in his efforts with us at Michigan Petroleum and made a significant contribution both to our business, and each of us personally. More importantly, he was always generous at heart and always concerned for others. We all worked together, but all were fast friends and always knew that he could be counted on both professionally and personally. In fact he and my father Lew Sr. always held a close bond and he spoke of him frequently over the years before and after Jim retired. I am certain of a warm reunion of the two of them and Sandy took place on Monday.

I will always carry immense respect for Jimmy and be grateful for the impact he had in my life. We all share deeply in the loss of such a special man and wish comfort and strength to the extended family and friends impacted by this. He is missed, and will always be remembered with sincere admiration.

“ Dear Sandy, Marvin and I are saddened by your Dad's passing. Marvin was so thrilled to have reconnected with his "Viet Nam buddy." They must have had a great time during the 6 months they were there. Those memories cannot be replaced. We thank God for the opportunity to see him in Grand Rapids at the 11th Calvary reunion. You and your family will forever be in our thoughts and prayers. May God bless you all and keep you forever in His loving care. Sincerely, Marvin L Baker, Sr. and Shirlene Baker
