“ Aunt Joanie had the biggest smile, and happiest heart. She could turn a room of frowns into smiling faces in a heartbeat. As a child I, remember the large plates of enchiladas she would prepare. Laughing and talking the entire time in the kitchen. Her hugs were extensions of her smile. They wrapped you in warmth and joy. The thought of those hugs eases the pain in my heart, and dries the tears in my eyes. Love you Aunt Joanie. Be at peace. John Richard

“ Aunt Joanie was very talented. She made these beautiful tufted fabric photo album covers for each of my children. We have chronicled their growth in these memorable albums - a true treasure, as was Aunt Joanie, never to be forgotten.

“ Joannie was my aunt...and the one constant in my life. She was always such a happy and fun person. She had a heart as big as the sun....and would give freely to help anyone if they were in need. She never judged...she accepted you the way you were. Aunt Joannie will be missed.

To Darlene Snay, Aunt Joannie's neighbor, friend, and caretaker, thank you for all you did!
