“ *Joanie has always been a spit fire. To anyone that knew her, she always had a story to tell. There was never a dull moment with her. We would go fishing regularly and at our fishing spot, we had heard there was a panther and tiger that had gotten loose in the area. She looked at my mom and said, "I just have to be faster than you!" And that's who Joaine was. She will be missed and is loved by so many!*
