“ *Woody (as a lot of friends called her) was one of the kindest and sweetest people I have ever met and I am honored to have had the privilege to call her my friend for over 40 years. I have so many fun memories of hanging out with her and other Bell friends over the years. I will miss her more than words can express. I know she is an angel in heaven watching over everyone that cared for her.*

*Love you Woody!
