“ It has been so many years since I had the pleasure of working with and being a friend of John. He is the kindest man I have ever know and even on the most unbearable days he could always find a way to lift someone up. I would bother him often about teaching me some German. I didn't learn much except for one phrase which I saved especially for him. I don't remember the spelling though will always remember the phrase "John, you are something else!" I can still hear him after all these years A special man that I will never forget. Bless him!

“ John was a high-quality auto guy. I met John in the early 80s when I took my car to his shop on Military in Port Huron. I followed him to Marysville, then later to Cawood. A true professional who cared about his customers.

Although this is a sad time, we also rejoice with you that John is in Glory with his Lord and Savior and we will see him again. John was such a fun guy. “ *We Will surely miss our beloved brother-in-law John Bopp, his contagious laugh and great hugs (in fact I used to tell him don't hug so hard John I have had 12 back surgeries!) and he always would say I'm sorry and keep hugging me! Our hearts are heavy now but we will meet again some day when it is our day of crossing over. God has promised us a wonderful reunion with our loved ones and He always keeps His promise! Your little girl Liselle will also miss you too, as will our Lexie, because you never missed getting on the floor to play with her! We have had you in our lives for over 25 years and no one can ever take away our great memories! In Christian love Jean, Chuck and Lexie too.*
