“ *My heartfelt condolence to the family, especially to "Nate" and "Nick", I know you miss him terribly. There is hope in a promise of God stated at Acts 24:15. God not only has the power but the desire to resurrect anybody he chooses.*

I was so saddened to hear of John's passing. I remember when his youngest son was born and he brought him up to the office to show him off. I've never seen such a proud father as I seen that day. I'm heartbroken thinking of his children and how they will not have him in their lives. My heart goes out to the whole family. They are much too young to have this kind of tragedy happen to them. Take care and may God bless you all. RIP John, you will never be forgotten.
