“ John, you were always a good guy to me as a kid when you married my mom. You always treated me as a son and I will always remember that. I'm sorry we lost touch after my mom's passing. I wish we could of kept in touch better. But things were what they were. But, I have never had anything but love and respect for you. You were a awesome man and special part of my childhood and I can't help but think you helped me along the way to be part of who I am. God bless you and give my mom a big kiss.

Eddie and Family,

We are so sorry for your loss. It is so difficult to lose a parent. I lost my father this summer. Please know that we are lifting you up in prayer, and that you sense God's comfort during this time of mourning. You are in our thoughts and we feel bad we were not able to come to the Memorial Service.

Sincerely, Tom and Brenda Seppo
