“ Dear Uncle Johnny,
While we are sad and miss you, we are comforted in the fact that you are now home with Jesus, healthy and whole once again. Have fun with our dearly departed loved ones and tell them we love them. Wal and I will miss our visits with you, but one day we will all be together again.
I love you and miss you ❤️

“ Hey Dad, I can't believe you are gone. Far too soon... I was hoping we could all get together soon when all this covid stuff would be over. The only thing bringing me peace right now is that you and Aaron might be hanging out and shooting pool, in perfect health as our guardian angels. We love you & thank you for all memories, the lessons, the good days and the bad days, that helped mold me into who I am today.
