“ *John was a wonderful brother. He was always there for me and my sons. I will always miss him. He was so funny and made us laugh. But never make him late for dinner. He loved his food. And his family.*

“ John was a super nice guy and a great neighbor. Me and my husband saw him often on our morning walks and he always had a kind word to offer. I especially shared his love of the civil war magazines he read. We moved off the island last year but wanted to share our condolences to his wife and family.
