“ I'll never forget all the good times. Waking up on a summer morning, walking outside and seeing you sitting in the driveway in that old Dodge pickup waiting to go out for the day's adventures. Going to take real estate classes. Chocolate Cream Pie. Messing with the waitresses at Fazzi's. Rise Simba (Only John will probably get that). You left way too soon my friend, and I will miss you. Until we meet again, enjoy all that Heaven has to offer. My prayers are with your family so their hearts will heal.

“ Driving around in your parents station wagon, parties at Joe's house, hanging out in the Pine Knob parking lot after J Geils, playing the trivia game at Fazzalari's, taking a limo to see Pink Floyd, you singing, "I wanna be a cowboy" & "The roof is on fire", killer Frisbee in the dark, sitting around a campfire till the sun comes up just talking. Snippets from times you made life brighter by being there. I'll miss you.

“ Dear Hughes family, my thoughts and prayers are with you in this most difficult time.

I had the great pleasure of knowing and working with John for the last 30 years. We first met at LensCrafters in 1987. I will miss Johns smile, laughter and the way he cared about others. There is a void in our workplace now that no one will be able to fill. We will all cherish the memories we have of John and know that he will be watching over us all.
