“ My Tribute To John Lane , I was so sorry to hear of my neighbor John Lane passing away. He was a great neighbor to me and my mom and dad. He was always ready to help us with repairs and odd jobs around our house when we couldnt do it ourselves. Like when I couldn't cut our grass a few times, John did it. When we needed our lawn mower repaired John did it. When I needed someone to help me get something down from our attic, John did it. When I was so busy around our house and needed someone to bring in our garbage cans, John did it. When I needed someone to repair our side garage door, John did it. When I needed someone to sell my craft projects, John did it. He also had alot of encouraging words for me that is helping me to this very day. And who knows the number of times he shoveled our snow for us. He was there always at the right time, and he was struggling himself when he did all that. He helped me to the very end of his life, while he had all his physical problems to. I list each good deed separately because it meant a lot to me and my mom and dad. We appreciated him and everything he did, which we couldn't have gone on with our lives without him.

“ *Uncle John was my god father. We will miss him so much. Our family gatherings will never be the same. Uncle was always willing to lend a hand when getting ready for the holidays, bbq or any parties. I will miss his thoughtful holiday text messages first thing in the morning. My boys will miss throwing around the football with uncle at parties and gatherings. He had some great stories to share and always made us laugh. Our family reunions will just not be the same. He knew so many people, had tons of friends and touched so many lives. He loved animals and caring for them well. Uncle was always very helpful and special to us. We will miss him dearly. 🙏*

“ John... Oh boy! I imagine you're with my Dad and Mom now.... All of us girls were all in shock to hear the news... You always kept so busy... I can't thank you enough for always being there whenever my parents or myself needed your help. I will of course miss our phone calls and occasional meals shared together... God be with you as I am sure his Angels are all around you! 🙏❤️

“ To my Uncle John,  
You were irreplaceable. At Christmas or any holiday I hosted, if the party started at 3pm and the doorbell rang at 2:30pm. I didn't panic because I knew it was you. And you would help me with whatever I needed. You always complimented my wine choices and helped me with the dishes. I knew you would take home any leftovers. It was all the little things. Such a hard worker. Always made guests feel comfortable. Could hold a conversation with anyone. And yes I think we all know you were the original creator of the “submarine” sandwich. Your stories were always interesting. You were a snappy dresser. So handsome. So caring. You would give anyone a hand. And become friends with everyone you met. Thank you for being the best uncle. I will always cherish the times we had with you. Miss you dearly.

“ Gary and I have know John for more than 30 years. He was kind and knowledgeable of so many things. I'll always remember him as being a hard worker and the person who always “stepped up” to help anyone that needed help with nearly anything. John personally help us many many times over the years and we talked to him almost daily. We are shocked and saddened at his passing and will miss him. I catch myself thinking, “we haven't heard from John today”...and then I remember.... we are going to miss you John. I hope you are looking down on us and can see how much you meant to us. Godspeed💜. “ With a Heavy Heart filled with Memories of Good Times with My Dearest Friend John Lane.  
I am truly saddened that John Lane has left us too soon.. He was too young to go..  
I am Comforted knowing that Our Most Beloved Friend John Lane has Gone Ahead to live with Our Heavenly Father and Christ Jesus..  
John Lane is with his Sweet Mom Herriet now..  
This is surely the Saddest Day for all of us that John Lane has left behind.  
John will be Missed by Many Family Members and Friends .. Especially John's Most Loved Brother Jerry and his Beautiful Wife Sylvia.  
They are very Close Family.  
John's Family meant the World to him.  
John always was bragging about his Nieces and Nephews Accomplishments.  
John was so Proud of them.  
John Adored his Great Nephew and Nieces..  
John was so good around children, always making them laugh.  
John's Name Dropping was a Gift that Brought out his Best Stories ..  
I always enjoyed listening to John tell his Stories...  
John could NEVER sit still..  
John had to always be working on something or doing a favor for a friend.  
That's the kind of caring Man John was..  
John was Always giving of himself..  
John was a Good Man.  
I miss John's phone calls as he was Always checking up on me to make sure I didn't need anything and that my cat "Baby" and I were ok.  
I miss my Dear Friend John Lane so very much.  
I Loved my Friend John Lane..  
John was like a Brother to me.  
Until we Meet again in Heaven my friend.

♥ Please say a Prayer for John and his Family ♥
