“ *Such a joyful soul is certain to be missed. John always had a smile ready to break into laughter. My memory is from highschool, but his heart full of happiness was sure to follow him through life. So much fun as we raced around the Florida go cart track on the class trip, fun at the water park despite his blistered sunburn, and the tolerance of a saint as we heard repeatedly-Red, red, wine. My condolences as he was surely loved. Connie Westerby-Ross.*
