“ John John was a loving and caring nephew who would give the shirt off his back to help others. He loved his nieces and nephews and gave them time, something very special. We could always depend on him to help when he wasn't working, and he did a lot of that. We are grieving his loss but know he is in God's loving arms together with his dad, grandparents and many family members and friends. We love you and miss you.

“ John John wasn't just another cousin or uncle, he lit up every single room he walked into . With his contagious laugh , funny jokes, and big personality everyone couldn't get enough of. Growing up he was my best friend, I couldn't wait to go visit him all the time and spend time with him . We would play games and always watch Star Wars , he was the biggest fan , he even had a room dedicated to it . Me my brother, and my cousin ashlynn love him and will miss him forever.
