“ I worked with John for a number of years at the Noble Street complex. He was always kind and very knowledgeable. My thoughts and prayers are with the family at this difficult time.

Death leaves a heartache no one can heal, love leaves a memory no one can steal.

“ We really enjoyed Johns and Judys company during our Friday nite dinners. Thank you. John made wonderful bird houses - He had a natural talent working with wood. His workshop was outstanding. My husband liked his golf stories. The story of his fish shanty in the water topped it off. We will miss you. Judy stay strong. Hope to see you soon. Doug and Deb

“ John was and Judy is wonderful neighbors. I loved that John enjoyed the critters outdoors (birds, bunnies, deer), watching them and feeding them. So very sorry for his affliction and his passing. Fondly, Karen and Jack McInnis
