“ *I was so disturbed when I first heard the news on John's passing. I had the privilege of first meeting John almost 7 years ago when I moved to Detroit. I knew right away he had a heart of gold and cared so much for those around him.*

Jack- You and I met briefly about five or six years ago at a Tigers game. I don't believe that I ever had a conversation, meeting, or lunch with your dad without him talking about you and how proud he was for all of your accomplishments. Sports, academics, or just being a great guy!!

My thoughts and prayers continue to go out for all of John's family...

“ Terribly sad news to learn last week of Johns passing. John was a coworker of mine at Ally in Detroit. He and I got to know each other in early 2019 as we began a Friday lunch tradition of walking for carryout from Sweetwater Tavern.

John was an extremely positive, kind, and likable man. He spent much of those walks speaking proudly of his son.

John will certainly be missed by all of his Ally teammates.

My prayers continue to be with John and his family.

“ Worked with John when he was in Auburn Hills, Troy then Detroit. John was such a terrific person, friendly, dedicated and always gong out of his way to say hello art work when he saw you. If I had to use one word to describe John it would be classy. He will be missed by me and so many here at Ally. I will pray for John and all of you his family.
