“ One day when I was in middle school I was making the long walk to my best friend's house on North Rd. John was riding by on his motorcycle. He didn't really know me that well, I wasn't a popular girl, but he didn't care, he offered to take me up the hill to my friend's house. How could I resist such a handsome, caring young man! I will never forget how kind he was. I'm so sorry to hear of his passing. My condolences to John's family. ~Jayne Pierce
