“ *Letters in the sky*

*A blank sheet
Lines so clear
Uncertainty surrounding
How endear
Suddenly its spilling
Overwhelmingly calm
Therapeutic electricity
Takes charge in a psalm
My page now full
Letters ready to send
But where to address them
When it's come to an end*

*From my heart to my daddy
Truly yours

“ *My entire life is filled of memories of my dad. Although some I'd prefer to forget, there are many that I will cherish. He was a truly special, one of a kind man. Many of his traits will live on within Kim, Jeff and I. He was a great papa to Noah and enjoyed that role so very much. Words cannot describe how deeply his sudden loss hurts us all. I know he's with JC watching over us.*

“ *I never had the pleasure of meeting this gentleman, but I love his daughter Kim like one of my own and have known her for quite some time.
He must have been one heck of a man and father, to have raised such a beautiful person like Kim.
Kim, my heart goes out to you and your family. Stay as strong as I know you to be, but let others help you during your difficult journey.
Always here for you.*
