“ *I worked with Johnnie for over ten years at St. Clair County RESA. Rarely did you ever see him without a smile on his face and positive attitude. He was quiet but often stopped by my office to say hello or chat. It was very apparent that he loved spending time with his family. My sincerest condolences his wife, children and grands. He was a very special guy and I know I'm a better person for being lucky enough to have known him. May he Rest in Peace.*

“ Words can't express our deepest sympathy and condolences to everyone whose life this great man has touched. I wish I knew him more on a personal level, but I seen first hand how involved he was with his loved ones. Pretty damn good bowler too I might add. These are the losses that will never make sense to me... taken too soon with so much more to give. May you rest in peace Sr. And please watch over your family.

“ My deepest sympathy to all of you during this heartbreaking time. I can't express how sorry I am for your loss. 'Uncle John' was such a special person and he will forever be missed and remembered. He was always one of the kindest, hard working, amazing family men that I have ever known. Great bowler. Great at anything that he put his mind to. I remember our parents bowling together and euchre nights at Uncle John & Aunt Kim's house. Bonfires in the backyard and us kids running around chasing lightening bugs. I have the greatest memories and his amazing heart, personality and character lives on through all of you. I just want you to know I care and share in your sadness -Randeana
