“ Just found out last night about Jon’s passing. Sending sincere condolences to his family.

*Jon was the lead singer in our band called Downplay, and I was the drummer for the band for a couple of years until mid-2006. Jon was a good friend during that time and was very humble about the huge talent in his voice. I will always remember him. May his memory be a blessing 🕊️*

“ JON was the singer of our band, "Downplay" back in 2006. His voice was fabulous and his passion for performing and stage presence were BOTH equal to it...

*I knew Jon Lamphier for approx 3 years and he was always professional about playing, and like the rest of us, were dedicated weekend musicians, all with day jobs "wishing" we could make it..His personality was like sunshine and fresh air... it always felt good to have him around . Rest in peace, brother Jon..May the all the residents of Heaven get a chance to get to know Jon and to hear that man SING 🎤 🕊️ 🕊️ Greg Boudreau*
