“ My best and only grandpa I ever had will be missed forever this is one of the hardest events to come to my life he was our families glue the provider and protector of or family. Very smart man showed me how to do many things showed me so much and how to love your family and be there. I might sound dumb cause I've been crying the whole time typing this but I love you grandpa forever and always you'll forever be in my heart. Please watch over us and grandma❤️

“ The best grandpa in the world, isabella justin and I would go fishing together in the summer mostly but it was really fun. When we played cards was always amazing seeing all the smiles on our faces and the biggest smile of all, grandpa's. Hearing his laugh would light up all of our days. All of the stories he would tell us, I'llnever forget them. I miss him dearly, as we all do, and I hope to see him when its my time to go.

“ I could sit here and write a novel about my Dad. My Dad was a one of a kind amazing man. He was the best at everything he did and if it weren't for him and my mom I wouldn't be who i am today. He was so full of love and compassion, drop what he was doing just to help ya. I am thankful that I had him as my Dad as he taught me, my brothers and his grandkids so many things in life that will forever be with us. All those wonderful thoughts, skill and great memories will live on in all of us. I always loved spending time with my Dad & our family. He loved hunting, fishing, shooting guns, riding 4 wheelers with us and spending time at Presque Isle when we went up north which was always fun. I wish I could go visit him in heaven even if it were only for a day just to be able to spend more time with him.

He is forever love, cherished & missed deeply.

“ He was a very joyful person and everyday with him was an adventure. He loved telling stories and making jokes. Everyone who knew him knew they had someone special. All the adventures with him and Grandma are the ones I hold the closest. I loved when we were with him and grandma in the summer and they set up the pool and we had a water balloon fight and he joined in with us. It was the sweetest thing. I'll never forget all the love and support he's given me growing up. Another memory I loved was him always waking everyone up early while he made breakfast up north. I did complain I can't lie but I actually loved how he did that.
I Love and Miss him so much.
