“ *Dearest Claudia,
I wish that I could be there to support you through this tremendous loss like you helped me when I lost Faro. But, I will see you soon. Know that Joe is no longer in pain and most definitely smiling down on you and the rest of the Boutin Family. He may not have seen all of you with him that night, but he did hear the love that was shared in that room. May he rest in peace and enjoy the time he now gets to spend in God's Garden. You will see him again. I am keeping that candle lit for you and hope that you will take some time now to recuperate yourself. You were there for Joe. Let him see you ~ from on high ~ with a smile on your face, energy dancing in your eyes and an everlasting love in your heart.
