“ Life will never be the same. I lost someone who I share more good times and laughs with than I could ever hope for in 10 lifetimes. Joe, we faced life together and together we shared and endured everything life threw at us. Now I sit here with that feeling of helplessness that I cannot endure well. I had almost 3 years to do so much more. Yet i wasted so much time. I'm proud to be your friend and i will do my best to keep my promise of raising Joey best I can. Making sur ees he knows all about his dad. If I'm wrong and there really is something after we leave this place, put in a good word. I'm sure I'll have a lot of explaining to do. Until then, thank you for being by my side Joe. I love u brother. Give me strength because my heart is missing some huge pieces now and I'm not sure if I have enough left to go on. . Rob
