“ Joe Hendrix, I am so sorrowful to know you have gone. I pray you find Jesus and you are able to see the face of God. I layed awake all night December 21 thinking of how much a part of both our lives we shared together. Joe you are like a brother to me and have been a part of my family in so many ways for 37 years. Joe was also a good friend to my deceased younger brother David Serra. Such a great unmeasurable loss I continue to feel. I have known Joe since 1984. We met at Bishop Gallagher High School. We both played Freshman and Softmore Football. I eventually came to know, respect and care for Joe's whole family. Mother Joan, sisters Jenny and Janet, grandparents and 2 uncles John and Jimmy. Also Joe's son James whom I've watched grow up from 6 years old riding his mini BMX bike and playing all day as Joe and I worked on paint and drywall jobs. Now James is a very talented young man with a family of his own. Joe is so proud of James. Every time we spoke what James is doing was the first thing Joe would say. Then we would talk about everything else. I will always remember ice fishing with Joe and James. Nothing in the world will ever compare to it for me! Not to forget Joe's most dedicated loving and caring wife. I have known Cynthia for only a handful of years but Joe and I know how lucky and fortunate he is to have you. Cynthia I know has a heart of gold. My whole heart and prayers go out to all Joe's family and close shared friends whom Joe always treated as family. Joe always treated people with respect and kindness. Joe was the hardest working man I have ever known. I worked for and along side Joe on and off for 30 years. Joe taught me how to paint and finish drywall. Joe had many skills. He had his hands in every part of the building trades. Joe and I lived in San Antonio Texas together from 1991-2000. Joe has given me a lifetime of fond memories. We experiencd many hardships together, and many great times also. I can't watch any Michigan outdoors hunting or fishing shows without thinking of Joe. Although Joe didn't have much he was always very giving, attentive and considerate. A man any mother or father would be proud to call their son! I feel very fortunate to have known Joe and have shared so many memories and moments that I will treasure in my heart as long as life remains. I am so sorry I can not physically

be there as you end this life you've lived so full and begin an afterlife of eternal happiness. For this I am deeply regretful. More than I can express in words. Joe you are my closest and best true friend. I will forever miss you! I am only thankful you are not in pain and suffering any more. I Love You Bro! please tell my brother David Serra, whom you also know and were a brother to, I miss and Love him so much. Thank you for all the memories. I'll never forget you. Hope to see you on the other side Brothers. God bless all of you and may the Holy Spirit console us all as my heart forever grieves this loss. Jesus, please take care of Joe now and forever, Amen! “ We have known Joe since he was in high school with our son, not only did he become close to our family and lived with our son in Texas he did much work for us. Joe had so much talent nothing he could not do when it came to house repairs had a laugh that would make us laugh what a great guy. Such a loss got to know his son James over the years watched Joe teach him so much, turned James into a talented young man hard worker just like his Dad. Joe was very proud father. We will miss him dearly. God bless my friend give our son David a big hug for us Love Sam & Loretta Serra.
