“ I remember Uncle Joe always coming to our house to visit with my dad they would sit for hours and drink coffee and just bs. I also remember he loved to fish. I never could understand why my dad and him would go ice fishing, probably to escape us bad kids lol. When they would catch perch Uncle Joe would make a beer batter to fry the fish, seriously the only fish I would eat were those beer battered perch. I remember the day my father was buried Uncle Joe cried like a baby that will always stick with me how much they loved each other. RIP you were my favorite Uncle and I loved you.

Where to begin? Uncle Joe spent a lot of time at our house through the years. He and my Dad (Louie) were always going out fishing and liked sharing a pot of coffee. We used to tease him (because we could) and he gave as good as he got! I will miss you Uncle Joe at our family functions. Rest in peace and say hello to my parents.
